EDGECOMBE BROTHERS

Edgcombe Brothers is a unique blend of viticulturalist, farmer and winemaker, operating in the Swan Valley of Western Australia since 1925.

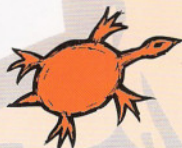

The Edgcombe Brothers cellar door tasting and sales outlet is coupled with a kitchen serving generous wholefood dishes which include home-grown asparagus, broad beans, grapes and melons in season. Breakfast and lunch, fresh coffee, tea and cake are served al fresco or around the log fire in winter. Private functions are held in our vineyard surroundings.

A quality range of red, white, sparkling and fortified wines is available for tasting and purchase. Produce including West Australian olive oil, honey, jams, pickles and sun-dried fruit from our own vines is on sale. Tastings available on request.

At week-ends, Maggie's Place is open in the old farmstall for fresh seasonal produce and offerings from small Australian producers. The Farmers' Market operates on Sunday mornings.
