

## WEED ERADICATION PROGRAM

The City of Swan seeks to inform Residents of the forthcoming Weed Eradication Program. As part of the ongoing maintenance works, Council's Weed Spraying Contractor will commence spraying, Footpaths, Kerblines and Public Access Ways, Main Open Drains and Rural Roadside Shoulders Drains and Verges throughout the City commencing Monday 4 May 2009. The chemicals that will be applied are Glyphosate (Round Up) and sulfometuron-methyl (Oust), which are of low toxicity and necessary to eradicate weeds. Spraying will be conducted under strict supervision and guidelines.

We acknowledge that some residents do not wish to have the footpath, kerbline or open drains, adjacent to their property sprayed. If you wish to have your property permanently exempted from the weed spraying and have not previously informed the City of Swan, in writing, please complete the section below and return to City of Swan PO Box 196 Midland 6936.

Further details may be obtained by contacting Barry Gibbs, Coordinator Engineering Maintenance, by Ph 9267 9000, Fax 9267 9477 or [swan@swan.wa.gov.au](mailto:swan@swan.wa.gov.au)
